

**Junkman/Knoebel Center  
Quarterly Report  
Department Of Corrections Parolees**

**October- December 2006**

**Number of parolees referred:** 5 were referred in this quarter, with 5 being admitted.

**Referral Sources:** Parolees were referred from Newton, Rockwell City, Clarinda, Fort Dodge, and Anamosa.

**Admittance/ Current Residence:** 5 parolees were admitted into Junkman/Knoebel this quarter making a total of 9 parolees residing at Junkman between October and December of 2006. One continues to be a successful participant in the Center by remaining substance free, maintaining employment and meeting all parole expectations.

After admittance one participant did not remain substance free and was asked to leave the Center. He was asked to leave after 9 days. Current whereabouts of this participant is unknown.

Five clients left the program successfully and remain substance free and are employed either part-time or full-time. One client after leaving the program is in the Black Hawk County jail awaiting an opening in the Facility. One client has admitted relapse.

**Additional Comments:**

The average length of time beds were held empty for parolees this quarter was 20 days. The average length of stay at the Junkman/Knoebel Center for parolees this quarter was 60 days.
